

How do you in game life

I'm Jackie, playing SRO. have two characters, get support from gkplayer.
have only been playing for a month or so,
but still manage to pvp and get in on the big fleet action. i'm in

a large corp and so there's always something to
do.

That works in the early stages but you quickly
get to a point where none of the skills you
want take less than a couple of days at best to
train.
